N.B.—The Regulations are liable to be altered in future years.

2. Any person desirous of competing at this examination must produce to the Civil Service Commissioners, before the 1st of April 1880, evidence showing:—

- (i) that he is a natural-born subject of Her Majesty.
- (ii) that his age will be above seventeen years on the 1st of June 1880 and under nineteen years on the 1st January 1880.† [N.B.—In the case of Natives of India this must be certified by the Government of India, or of the Presidency or Province in which the candidate may have resided.]

The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any candidate should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India; and if already selected, will be removed from the position of a probationer.

‡‡ The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency, such as may be expected to be reached by a Native of good education.

7. The examination will be conducted on paper and *viva voce*, as may be deemed necessary.

Should any of the selected candidates become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled up or not. In the former case the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a selected candidate. A selected candidate declining to accept the appointment which may be offered to him will be disqualified for any subsequent competition.

Clause VIII.—After the expiration of forty years, reckoning from the date of the original lease, the lot shall be open to resettlement for a period of thirty years on such terms as the Government shall think fit, provided that the assessment shall not be fixed higher than the rate which would be paid by cultivating ryots in the neighbourhood for land growing the ordinary crops of the country, less thirty per centum to be allowed to the lessee to cover the risks and cost of collection, and to represent his profits. The above assessment shall be calculated on the entire area leased, less the one-fourth which is exempted from assessment under article I of these rules.

But for wood and timber exported for sale, a duty shall be levied at such rate and in such manner as may from time to time be prescribed by Government.

No. 2, dated the 6th January 1880.

THE attention of the officers presiding in the Civil and Revenue Courts in the Lower Provinces of Bengal and Assam is called to the rules *

CIVIL AND CRIMINAL.

No. 5, dated the 10th January 1880.

THE attention of the Court has recently been drawn to more than one instance in which Magistrates have held trials on Sundays. It has not hitherto been deemed necessary to enter Sundays in the published lists of close holidays, as no such recognition of the general practice of closing the Civil and Criminal Courts on these days appeared to be necessary. Cases must no doubt occur in which an enquiry by a Magistrate should proceed even on a Sunday, or gazetted holiday, but, without the consent of parties, and in the absence of urgent necessity, no civil or criminal trial should proceed on such days.

CIVIL.

No. 6, dated the 10th January 1880.

THE attention of all officers presiding in Civil Appellate Courts in the Lower Provinces of Bengal and Assam is invited to the notification, copy of which is appended to this circular order, issued by the Government of India under date the 22nd November last.

2. It will be observed that while the fee payable on appeals from certain orders issued under section 244 of the Code of Civil Procedure is limited to the amount chargeable under article 11, Schedule II of the Court Fees Act, cases may occur in which, under the ordinary rules for the valuation of appeals from decrees, the fee payable may be less than this amount. Further, the notification does not cover the case of appeals from orders rejecting plaints, nor of appeals in certain miscellaneous cases, such as Certificate and Probate cases.

Notification by the Government of India, Department of Finance and Commerce, No. 3967, dated Simla, the 22nd November 1879.

WHEREAS certain orders issued by the Civil Courts under section 244 of the Code of Civil Procedure, 1877, have been declared to be "decrees" by Section 2 of Act XII of 1879:—

In exercise of the powers conferred by section 35 of the Court Fees Act, 1870, the Governor-General in Council is pleased to direct that the court fee payable on appeals from such orders issued under section 244 of the Code of Civil Procedure shall be limited to the amounts chargeable under Article 11, Schedule II of the Court Fees Act.

RULE made by the High Court of Judicature at Fort William in Bengal under the provisions of section 6 of the Legal Practitioners' Act XVIII of 1879.

Any person who immediately prior to the 1st January 1880 was in practice as a Mookhtar in the Calcutta Small Cause Court, and was recognized as such by the Judges of that Court, may be admitted as a Mookhtar by the High Court, with liberty to practise in the said Small Cause Court.

2. Persons qualified for admission under the above rule shall apply to the proper officer of the Small Cause Court, and their applications shall be forwarded, with the certificate of the Judges that the applicant is a person to whom the rule applies, to the High Court.

2. The rules for the establishment, management, and regulation of contractors' depôts, passed by His Honor the Lieutenant-Governor of Bengal, under Section 4, Act VII (B.C.) of 1873, should be observed in all such depôts.

3. At least twelve hours' notice must be given by the agent in charge of a depôt to the Embarkation Agent and Medical Inspector of his intention to despatch a marching party.

4. All emigrants whom it is proposed to march up from Dhubri should be paraded before the Medical Inspector and Embarkation Agent some time during the day on which it is intended to cross them over at the ferry.

The Medical Inspector will satisfy himself that they are in a fit state of health to undertake the journey, and, on his certifying that they are fit to undertake it, the Embarkation Agent will proceed to inspect the arrangements made for the journey. These are to include—

A.—Clothing for each person according to scale fixed for coolies to be embarked, except that flannel petticoats for women and pyjamas for men may be dispensed with, and an extra blanket substituted.

B.—That each batch is provided with enough food according to scale for embarked coolies, for at least four meals, and that this reserve of food is always maintained during the journey.

C.—That a trustworthy person is in charge of the party capable of keeping accounts of expenditure and providing for their wants, and that he is supplied with sufficient funds for the journey, calculated at the rate of 2 annas per adult for each 10 miles of journey to be marched as far as Nowgong, and at the rate of 3 annas per day for any part of the journey beyond Nowgong.

D.—That a small supply of simple medicines and medical comforts is furnished with each batch according to scale, to be fixed by the Chief Commissioner, and that the person in charge of the party understands how to use them.

E.—That each batch is provided with some simple means of conveyance for children, or for sick or infirm persons, such as a bamboo doolie or litter or some similar means of conveyance, to be approved by the Superintendent of Emigration, at the rate of one such means of conveyance for every ten emigrants.

5. On the Embarkation Agent satisfying himself on the points enumerated in the preceding rule, the emigrants are to march in his presence from the depôt to the ferry, fully equipped, as provided in the said rule, and, should any cause prevent them from crossing on the day of inspection, they will return to their respective depôts, and they and their equipment shall be liable to reinspection on the day on which they actually cross.

6. A way-bill in the prescribed form shall be filled up for each body of emigrants proceeding to the same district. This document shall be placed in charge of the person in whose care the party is, and on arrival at each sudder and sub-divisional station he will produce it, along with the emigrants, for inspection by the nearest Magistrate or medical officer or other officer authorized for this purpose, who, after making such remarks on it as he may think fit, will return it to the person in charge. On the arrival of the party at their destination, the way-bill will be made over to the manager of the garden, who, after entering up all losses on the journey, and such remarks as he may think necessary, will transmit it by post to the Embarkation Agent, Dhubri. A register as in form below should be kept at each civil station of these inspections, so as to provide a means of tracing any party which may have passed through the station.
